The effect of testosterone on the cardiovascular system was studied in normal male volunteers. Systolic and diastolic blood pressures, heart rate, stroke volume, and the maximum rate of left ventricular pressure rise were measured for 3 hr after infusions of 5 ml of placebo, 100 micrograms of testosterone, or 300 micrograms of testosterone. The heart rate was increased and the stroke volume was decreased after the 300-micrograms testosterone, and no differences were found in the systemic vascular resistance and the systemic vascular conductance. A vasodepressor effect of the plasma concentrations of testosterone was demonstrated.Q: Android Studio keep the scrollview in horizontal scroll I have an activity that has a linear layout and a scrollview. I want to keep the scrollview always in horizontal scroll mode (not vertical scroll), how to do it? A: Do you mean want to make scroll view always
